

Media release

Erich Trinkler new Executive Vice President Cicor Electronic Solutions Division

Zurich, 23 May 2011. Headquartered in Boudry, Switzerland, Cicor (SIX Swiss Exchange: C1CN), a leading high-technology industrial group internationally active in the printed circuit boards, microelectronics and electronic manufacturing solutions markets, has announced today that Erich Trinkler is to join the Cicor Group as Executive Vice President and Head of the Cicor Electronic Solutions Division, effective 1 August 2011. In this role he will be a member of the group management; he is replacing André Bermann, who is leaving the company at the end of July 2011 to take on a new professional challenge.

With the appointment of Erich Trinkler as Executive Vice President of the Cicor Electronic Solutions Division, the company has succeeded in securing the services of a worthy successor to André Bermann. Erich Trinkler is currently Head of Customer Services and a member of the management board of the Adaxys Group, one of the outsourcing companies in Europe in the field of industrial electronics services. He also heads up the Adaxys facility in Hombrechtikon. Erich Trinkler studied Electrical Engineering at the ITR Rapperswil and went on to gain an MBA at the HTW Chur. Cicor Group CEO Roland Küpfer comments: "We are delighted to have secured the services of Erich Trinkler, who has a proven record as an engineer with managerial and sales experience. We extend him a warm welcome and look forward to our future collaboration."

The Board of Directors and management team thank André Bermann for his immense contribution to the Cicor Group. As of 2004, André Bermann was Unit Manager of Swisstronics Contract Manufacturing AG. At the beginning of 2007 André Bermann became Head of the Cicor Electronic Solutions Division. Cicor Group CEO Roland Küpfer comments: "I greatly enjoyed working alongside André Bermann and wish him every success in his new role and responsibilities."
